

SWIMMING POOL

All hotel resident guests are invited to enjoy our heated (28 degrees centigrade) outside swimming pool.

Opening Hours: 10.00 a.m. – 6.00 p.m.

As part of our Covid-19 protection measures we have introduced a swimming pool booking form for you to reserve your pool usage times. We have restricted pool use to the occupants of one guest room at a time, or one family group if more than one room is occupied by one family group.

Access to the Swimming Pool is through the bar & decking area. Pool towels and are available from the entrance hall, please ask a member of staff to open the lock to the fence gate and pull back the pool cover.

Please Note: Access to the swimming pool is offered to hotel residents only.

Children (under 16 years of age) must not use the pool without adult supervision.

Swimmers should not bathe alone.

A safety ring and rescue pole are available poolside.

No diving or running is allowed by the pool.

All equipment is maintained and serviced in accordance with industry best practice. All equipment is checked to ensure it is being operated and maintained in a safe manner, compliant with the relevant sections of the Health and Safety at Work etc Act 1974.

There is no lifeguard present, however there is always a member of staff available to provide first aid or make an emergency call immediately if necessary. All key members of staff are trained in First Aid and in CPR techniques.

To prevent contamination of pool water any guest suffering from sickness or a stomach complaint is requested not to use the pool while symptoms persist.

Babies or young children that wear nappies are requested to wear swimming nappies when using the pool.
